APPLICATION FOR NATIONAL CERTIFICATION AS A VETERAN OWNED AND CONTROLLED BUSINESS

VETERAN BUSINESS ENTERPRISE (VBE)

INTRODUCTION
We welcome your interest in NWBOC’s national certification as a Veteran Business Enterprise. Certification can result in a marketing opportunity for your business to develop supplier relationships with larger companies. Certification also enables contractors to identify, quantify and report the extent to which they utilize veteran owned and controlled businesses as suppliers.

In order to be certified, the veteran business owner must: be the Chief Executive Officer or in the equivalent position; be a U.S. citizen or have permanent resident status; be active in daily management; and has fulfilled NWBOC requirements for definition of a Veteran in addition to the following:

OWNERSHIP
A veteran owns one of the following:
• 100% of the assets of a sole proprietorship,
• at least 51.0% of the equity interests in a partnership;
• at least 51.0% of each of the classes of voting stock and 51.0% of the aggregate of all stock outstanding determined by the percentage that would be distributed to the veteran if the corporation was liquidated; or
• at least 51.0% of the membership interests in a limited liability company.

CONTROL
A veteran actively participates in the management of and controls one of the following:
• 100% of the control of a sole proprietorship;
• at least 51.0% of the control of a general partnership;
• veteran owner is the general partner and, if there is more than one general partner, the managing general partner, of a limited partnership or limited liability partnership, or
• veteran owner is the sole manager, able to appoint unconditionally the majority of managers of a manager managed LLC or has 51.0% control of a member managed LLC.

If your business meets these basic criteria, please proceed with the completion of this application. If your business does not meet these basic criteria, it is ineligible for certification as veteran owned and controlled, and you should not complete this application until such time as the criteria can be met.

If you have questions on any aspect of our certification process or the application, please telephone NWBOC at 800-794-6140 to speak with a certification specialist.
INSTRUCTIONS
FOR COMPLETING THE APPLICATION

1. Complete all the items on the following pages. If an item does not apply to your business, record N/A in the space provided. Your application will not be processed unless all items are addressed.

2. If an answer to a question runs longer than the allotted space, attach a page with the rest of the answer. Be sure, though, to note the question number and record the business’ name and date of application on each additional page or exhibit. Please use a notebook and dividers to organize your information.

3. Sign and date the application.

4. Enclose a check for $400 made payable to NWBOC for application fee. Occasionally, there are additional minor travel costs incurred by the site visit. If during the process, you withdraw your application, your application is returned or administratively closed for incompleteness, you close/sell your business, or are denied certification, the $400 is non-refundable.

5. Submit one copy of the application, sworn affidavit and supporting documentation and application fee to:

NEXT STEPS

Upon receipt of the completed application for certification and related documentation, the NWBOC staff will review these documents for completeness. Every attempt will be made to complete the certification process within 90 days, if the application received is complete. Any missing documentation will cause a delay in the application process. It is important for Applicant to cooperate with NWBOC and any certification committee to ensure that this deadline can be met. We may call Applicant’s contact person with questions and requests for information, and to schedule site visits by a staff, or Certification Committee, member. Applicant may be asked to direct appropriate third parties, such as its attorneys, accountants and other professional advisors to provide and discuss information needed during the certification process.

The Applicant may at any time send a request to NWBOC, or its related certification committee by certified mail, return receipt requested that its application be withdrawn. Once a review has commenced, application fee is not refundable.

Applicant will be notified of the certification decision in writing.
